

## Think n Create (TnC) – FAST-NUCES Karachi

---

### **Q: What is Think n Create (TnC)?**

**A:** Think n Create (TnC) is a dynamic student society at FAST-NUCES Karachi that fosters creativity, innovation, and technical skills among students. It serves as a platform for individuals passionate about design, development, and creative expression, organizing events and workshops that bridge the gap between technical knowledge and creative application.

---

### **Q: When was TnC established?**

**A:** While the exact founding date of TnC is not publicly documented, the society has been actively engaging students through various events and initiatives for several years, contributing significantly to the campus's extracurricular landscape.

---

## TnC Events and Activities

---

### **Q: What is FASTECH?**

**A:** FASTECH is TnC's flagship annual event, recognized as one of the most distinctive events organized by the society. It provides a platform for students to showcase their technical and creative skills through various competitions and exhibitions, fostering innovation and collaboration among participants.

---

### **Q: What was the Anime Drip Showdown?**

**A:** The Anime Drip Showdown was a design competition organized by TnC, held on **November 21, 2024**, at FAST-NUCES Karachi. Participants were challenged to put their design skills to the test using tools like Photoshop and Illustrator, creating anime-inspired artwork that showcased their creativity and technical proficiency.

---

### **Q: What is the Database Open House?**

**A:** The Database Open House was an event organized by TnC on **December 7, 2023**, at the FAST-NUCES Karachi library. The event aimed to provide insights into database technologies, offering students an opportunity to explore and engage with database systems in an interactive setting.

---

## TnC Membership and Participation

---

**Q: How can students become members of TnC?**

**A:** TnC conducts membership drives periodically. Interested students are encouraged to follow TnC's official social media pages for updates on future inductions and opportunities to join the society.

---

**Q: How can students stay updated on TnC's activities?**

**A:** Students can follow TnC's official social media pages for the latest updates:

- **Facebook:** [Think n Create \(TnC\)](#)
- **Instagram:** [@tnc\\_nucesFacebook](#)

These platforms provide information on upcoming events, registration details, and opportunities to engage with the creative community at FAST-NUCES Karachi.
